BOXED LOTS

BULLETIN NO. 4

ST. LOUIS, MO., MARCH 25TH, 1914
Lewis & O'Fallon Sts.

TO THE TRADE:

The sale of all our Boxed Lots, whether stored in St. Louis or Rochester, WILL BE HANDLED BY OUR ST. LOUIS OFFICE, now open for the despatch of business; please take due notice and govern yourselves accordingly.

This bulletin contains the first of these boxed lots; we will continue packing surplus stock for cold storage until we wind up the season and will issue these bulletins every ten days or so until well into April. Each issue will show new assortments; it will pay you well to keep in close touch with them—file where you can get at them quick. A code word is given for each lot and a wire to our St. Louis office will give you the quickest possible action when "rush shipment" is wanted.

Orders are booked in rotation as received.

Shipments will be made when desired.

Always name "second choice" if possible.

Terms and conditions of sale as per our regular Trade List; cash with order where purchaser's credit is unknown to us.

Condition of every box guaranteed; all stock is strictly up to grades named, clean, sound and in prime condition.

STORAGE BOXES—How to Order

A code word is given for each lot; if for instance you want two boxes California Privet code "Haste" your telegram (or letter) should read:

"Freight two Haste,.' or "Freight one each Haste, Hay, Hawk," or "Express one Haste, two Hawk." All telegrams and letters ordering any of these Box Lots should be addressed to

Amoor River Privet North in St. Louis

GRADES

We grade Privet according to the number of stems the plant carries. All "light" grades carry 2 and 3 stems; "heavy" grades carry 3 and more stems. Transplanting grade includes single stems of all heights and lightly branched plants under 12 inches. Note the special grade of 6 to 12 inch "heavy" offered this season—a well branched stocky little plant. All our privet is beautifully rooted.
